After the work on Campus Drive is complete, one lane at a time of College Road will be closed.

During this time, temporary traffic lights will be installed to control the flow of traffic through the single open lane.

Campus Drive will open back up as one way only heading Southbound. Access to the trailers on the tennis courts will be available for northbound travel on Campus Drive.

The duration of the closure will depend on weather and the speed of the work. Check SpiderBytes through the summer for more updates.
